

Instructions :

1. **Important:** Please note that if there are **logos/wordings** on the back (orange area) of the packet, place it 1.7cm away from the bottom edge to avoid any blockage of the logo/wording.
2. Please make sure your artwork is the same size as the bleed layer (pink area).
3. Please do not erase the technical layer (Blue and red guidelines)
4. After inserting your artwork, you may delete the bleed layer.
5. If you have hot stamping, please use the layer "technical2" and insert the vector you want to be hot stamped. (Use only one color), otherwise, delete the hot stamping layer. (the black logo)

Good luck!
